

Synthetic Retention Study

Synthetic acceptance fixture - not real research.

Study date: 2026-07-01 | Fictional product: Northstar Workspace

Q2 cohort observation: checklist 68/100 retained at day 90;

standard onboarding 60/100 retained at day 90.

Median days to first value: checklist 6; standard onboarding 9.

Limitations: non-randomized groups, one fictional product,

observational association only; no causal conclusion.
